**APPLICATION FOR ENTRY OF AN ORDER PURSUANT TO 11 U.S.C. §§ 327(a)
AND 328 AUTHORIZING THE EMPLOYMENT AND RETENTION OF BRONIEC
ASSOCIATES, INC. AS ACCOUNTS PAYABLE AUDITORS OF THE DEBTORS**

TO THE HONORABLE UNITED STATES BANKRUPTCY JUDGE:

Mirant Corporation (“Mirant”) and its affiliated debtors (collectively, the “Debtors”), as debtors-in-possession, file this Application for Entry of an Order Pursuant to 11 U.S.C. §§ 327(a) and 328 Authorizing the Employment of Broniec Associates, Inc. (“Broniec”) as Accounts Payable Auditors of the Debtors (the “Application”), and in support of this Application, respectfully represent as follows:

JURISDICTION AND VENUE

1. This Court has jurisdiction to consider this Application pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

PROCEDURAL BACKGROUND

2. The Cases. On July 14, 2003 and various dates thereafter (collectively, the “Petition Date”), Mirant Corporation and 82 of its direct and indirect subsidiaries (collectively, the “Debtors”) filed voluntary chapter 11 petitions. The Debtors continue to manage and operate their businesses as debtors-in-possession pursuant to sections 1107 and 1108 of title 11 of the United States Code (the “Bankruptcy Code”).

3. The Cases are Jointly Administered. This Court has entered orders approving the joint administration of the Debtors’ chapter 11 cases.

4. The Committees. Three official committees (collectively, the “Committees”) have been appointed by the Office of the United States Trustee for the Northern District of Texas in these administratively consolidated cases.

Retention of Broniec

5. The Debtors request authorization to retain Broniec as accounts payable auditors, pursuant to sections 327(a) and 328(a) of the Bankruptcy Code, effective as of March 11, 2004.¹ The terms of Broniec’s employment are set forth in the Engagement Letter, a true and correct copy of which is appended hereto as Exhibit 1.

¹ The Debtors notified the Court on March 11, 2004 that they would be retaining Broniec to render services to the estates.

6. The Debtors desire to retain Broniec to assist the Debtors with a review of the Debtors' accounts payable system to objectively assess the Debtors' disbursement process. As accounts payable auditor, Broniec will perform a comprehensive post-payment audit of accounts payable covering Fiscal Years 2001 – 2003. Broniec will conduct a thorough analysis of each vendor's account to identify overpayments in the following categories:

- Compliance with purchase order/contract terms
- Negotiated cash discounts taken upon timely payment
- Trade discounts applied properly to purchases
- Advertising allowances properly applied
- Duplicate payments and erroneous payments made to vendors
- Freight charges paid correctly
- Freight charges confirmed to purchase order terms
- Compliance with established routing procedures
- Vendor returns calculated and applied properly
- Freight charges calculated and applied properly on returns
- Compliance with proper sale and use tax rates and exemptions
- Vendor statement review
- Unclaimed property analysis

7. Broniec Associates will provide a quantitative analysis report of the results of its audit upon completion of the engagement. That report will analyze Broniec's findings by the type of error identified.

8. The Debtors believe that these services are necessary to recover certain overpayments that may have been made as a result of the Debtors' upgrade of software that did not include a conversion of some historical payment data. Although it is quite frequent in an organization of the Debtors' size that certain invoices may be duplicated within the accounts payable system and therefore paid twice, it is more frequent when historical data is not available because recent historical data within the current system is required to run system checks and controls for duplications. The Debtors' vendor master-file also contains very high counts of "same but different vendor entries" which may have led to duplicate payments. Additionally, it is necessary for the Debtors to utilize Broniec to develop company wide uniform accounts payable policies and procedures to help avoid overpayments on a go forward basis.

9. Broniec's comprehensive accounts payable audit will expose and recover the maximum of hidden overpayment balances increasing the greatest available cost savings. Broniec will also provide the Debtors with statistical detail and analysis of its audit findings to assist in making the disbursement process more accurate and efficient in the future. In short, as accounts payable auditor, Broniec will objectively determine the accuracy of the Debtors' accounts payable transactions and assist in the recovery of overpayments.

10. Prior to reaching a decision to employ Broniec, the Debtors approached several firms that the Debtors believe are competent to assist the Debtors in the collection of overpayments within the Debtors' accounts payable system. The Debtors have determined that the terms and services offered by Broniec best meet the needs of the Debtors.

11. The accounts payable auditing services to be rendered by Broniec will not be duplicative of the services rendered by any other of the Debtors' professionals retained in

these chapter 11 cases. The Debtors previously obtained Court approval to retain Ryan & Company, Inc. to assist the Debtors in sale and use tax overpayment collection, but Ryan & Company's services will not relate to the collection of any other overpayments within the Debtors' accounts payable system. Nevertheless, the Debtors will carefully coordinate Broniec's efforts with other professionals retained in these cases and ensure that there is no duplication of effort.

Compensation

12. Pursuant to section 328(a) of the Bankruptcy Code, the Debtors may retain Broniec on any reasonable terms and conditions. Consistent with industry standards for this kind of service, the Debtors have agreed to compensate Broniec pursuant to the following contingency fee arrangement:

Prepetition Period (Periods prior to July 14, 2003)

Recoveries up to \$500,000	27%
Recoveries of \$500,001 to \$3,000,000	20%
Recoveries of \$3,000,001 to \$5,000,000	15%
Recoveries over \$5,000,000	10%
Single Cap - \$1,000,000 or more ²	10%

Post-Petition Period (Periods after July 14, 2003)

Recoveries up to \$500,000	23%
Recoveries of \$500,001 to \$3,000,000	15%
Recoveries over \$3,000,000	10%
Single Cap - \$1,000,000 or more	10%

² To prevent a windfall to Broniec, the Debtors negotiated a 10% fee with respect to any single recovery that exceeds \$1 million.

13. Regardless of any recovery, Broniec will be entitled to reimbursement of its reasonable expenses in connection with the engagement.

14. The Debtors believe that proposed terms and conditions of this engagement represent the most reasonable terms and conditions for the services contemplated to be rendered by Broniec in a competitive market for these services. The Debtors further understand that the proposed terms and conditions of the engagement are reasonable and based upon industry standards. In sum, the Debtors believe that the fees charged by Broniec are reasonable in light of (a) industry practice; and (b) market rates charged for comparable services both in and out of the chapter 11 context.

Broniec Is A Disinterested Person

15. To the best of the Debtors' knowledge, information and belief, Broniec represents no interest adverse to the Debtors or to their estates in the matters for which Broniec is proposed to be retained, except as set forth herein and the affidavit of Gerry A. Conheady, President of Broniec (the "Conheady Affidavit"). The Conheady Affidavit, executed on behalf of Broniec in accordance with the provisions of section 327 of the Bankruptcy Code, Federal Rule of Bankruptcy Procedure 2014, Local Bankruptcy Rule 2016(b) and U.S. Trustee Guidelines, is incorporated herein by reference. The Debtors' knowledge, information and belief regarding the matters set forth in this Application are based, and made in reliance, upon the Conheady Affidavit.

16. In addition, as set forth in the Conheady Affidavit, Debtors submit that Broniec (and its employees) is a "disinterested person" as that term is defined in section 101(14)

of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code, in that Broniec, its partners and employees, to the best of their knowledge:

- a. are not creditors, equity security holders or insiders of the Debtors;
- b. are not and were not investment bankers for any outstanding security of the Debtors;
- c. have not been, within 3 years before the date of the filing of the Debtors' chapter 11 petitions, (i) investment bankers for a security of the Debtors, or (ii) an attorney for such an investment banker in connection with the offer, sale, or issuance of a security of the Debtors;
- d. are not and were not, within 2 years before the date of the filing of the Debtors' chapter 11 petitions, a director, officer, or employee of the Debtors or of an investment banker specified in subparagraph (b) or (c) of this paragraph, and
- e. do not have an interest materially adverse to the interest of the Debtors' estates, or of any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in the Debtors or an investment banker, specified in subparagraphs (b) or (c) of this paragraph, or for any other reason.

WHEREFORE, the Debtors respectfully request that the entry of an order (i) approving the retention of Broniec, Inc. as accounts payable auditors for the Debtors pursuant to sections 327(a) and 328 of the Bankruptcy Code, and (ii) granting the Debtors such other and further relief as is just and proper.

RESPECTFULLY SUBMITTED this 21st day of April, 2004.

However such services are wholly unrelated to the services that Broniec will render to the Debtors and will not, in the good faith opinion of Broniec, represent an interest materially adverse to the Debtors, their estates, their creditors or any other party in interest herein or their attorneys or accountants in the matters for which Broniec is proposed to be engaged. Appended hereto as Exhibit A is a list of Broniec's clients that have connections with the Debtors.
